Charles and Mentings. The following plan with
the boat is record sections. Subject will send a picture
of a boat is record sections. Subject will send a picture
of a boat is record that INDER has boats which also
wheeld to record on for deep sea lighting tries. Ambanood,
is then, all record to procure a boat identical to this in
the picture and is Subject. Accordingly, on given insuranthous the best runed by INDER will depart from a point in Cuba,
healter to record to cuba. All official Cubas Groupment communication of article boat would then depart to the departure of
the boat and record for gavens. The two boats (the
index over on the section boat acquired by AMBANOOL) will
header ever on the section boat acquired by AMBANOOL,
then boat all return to the port of destination.
